

The Registry of Motor Vehicles offers an hour-long presentation on safe driving for seniors. Specific topics include recognizing the warning signs of unsafe driving, tips on how to be the best driver possible, and how to obtain a handicapped plate or placard. This is a free service. We ask that your organization provide a minimum of 20 people in attendance. If you are unable to do this, you may want to consolidate with another town. If you are interested, please complete this form and fax or mail it along with a copy of directions to your facility to:
